

Compressors Off The Shelf

As a major buyer of compressors, Sale Engineering has access to most European manufacturers' 'off the shelf' ranges at beneficial prices, and we can therefore offer you the best solution to your Industrial, Professional and Automotive requirements.

Our selection, sourced for customer service, fast response, quality, reliability and efficiency includes (but is certainly not limited to!) Nuair, Fini, ABAC, Bambi, Fiac and Kaeser – to name but a few.

As well as new and replacement compressors, we can help you source consumables, spares and replacement parts through our network of contacts.

We believe our product range represents the most comprehensive portfolio of compressed air equipment offered, suitable for hundreds of applications.

Just give us a call, or drop us an email, with your requirements and we will quickly provide our recommendation and competitive pricing.
